## November News

The November meeting was our first without President Dave Morrisette, and was ably chaired by Vice President Jerry Royer. In old business, we have secured the Cutler meeting room for next year. A meeting schedule will be published next month. In other old business, the wingfold group build was discussed (more on this at the December meeting). Ken Patterson announced that our chapter has been renewed with IPMS-USA.

The meeting's main business was nomination of officers for 2009. The slate of nominated candidates was unopposed in all four positions, so our Executive Board for 2009 will be: President Larry Davis; Vice President Kevin Hess; Secretary Rick Slagle; Treasurer Joe Staudt. Ken Patterson will continue as Chapter Contact, and Bob Ulrich and Bill Weckel will continue as newsletter editor and webmaster respectively.

Do not forget that Joe Staudt will be accepting 2009 dues beginning at the next meeting. Dues remain at \$12.00 per year.

Scale Scribblings wishes to apologize to Amers Hobbies for neglecting to mention their support of the October contest.

November Contest

## National Guard and Reserves

Ralph Nollan is sponsoring his traditional National Guard and Reserves contest this year. Any subject with a tie to either organization is eligible. As usual, there will also be a non theme contest.

## Christmas Party

December's meeting will also feature our yearly Christmas feast. The club will provide pizza and soft drinks, and members can bring hot dishes or desserts. This year will also feature a raffle, supported by the club treasury, and a Chinese gift exchange. Bring a wrapped gift of about \$20.00 value if you wish to participate.
