December Theme Contest

Anything Revell-Mongram

Sponsored by Larry Davis

A simple theme - just what the name implies. There's a lot to work with here, it's hard to think of a subject these companies haven't covered at one time or another. One caveat - reboxes of other companies molds in a Revell Monogram package do not qualify.

November News

The November meeting was held on an unusually cold and snowy night, but in spite of the weather a good showing of both members and models was seen.

The minutes were read by Chuck Burkett, and reports from other officers were noted. A discussion of the recent Cleveland Model Show was conducted and Fame Cities members who received awards were recognized. Kit and industry news was discussed (briefly - there wasn't much). Larry Davis updated the Modeler of the Year standings.

Future events mentioned were the Columbus BlizzardCon on February 21, 2015, and the Region 4 convention at Wright-Patterson AFB in Dayton on April 10-11, 2015. Given the way this winter is getting started Blizzardcon may live up to it's name. John Shimek informed us the primary hotel for the 2015 Nationals in Columbus is already booked solid, and that accommodations at other local hotels have been lined up for attendees. Better get your arrangements made soon or you might be staying in Mansfield!

Christmas Party!

Fame Cities annual Christmas bash will be held as usual in conjunction with the December meeting. The club will provide pizza, plates and utensils. Members are asked to bring soft drinks, desserts or side dishes to complement the pizza.

This is one of the highlights of our year, so plan to attend.
