1/48 Scale

Second Place

John Shimek
AMC Willys Jeep
1/72 Scale

Third Place

Ralph Nollan
Tamiya Brewster Buffalo
1/48 Scale

Fame Cities New Meeting Place
Perry Township Police Station
622 Genoa Avenue SW, Massillon, Ohio

Our first meeting at the Perry Police facility will be February 23, 2015. Because this is a public safety building, we will be expected to follow certain rules and restrictions.

Meeting time will continue to be 6:30 PM. We must vacate the room by 9:00 PM. The meeting room is in the lower level of the building. There are restroom facilities available on that level. **We are absolutely not permitted beyond the lower level at any time.** Bear in mind that the people enforcing this rule carry guns. Parking is available on the south side of the building, but do not park in the posted areas immediately adjacent to the building. These spaces are reserved for official vehicles. From the parking area you will see a set of white double doors. These doors are normally locked from the outside at all times. They will be propped open with kick stops for our access. When entering **DO NOT** allow the doors to close completely as anyone following will be locked out. The meeting room is immediately to your left as you enter the building. The room has a coffee maker and microwave available, but we are responsible for cleaning up after ourselves. At the meeting conclusion exit out the same doors you entered through. After the last person leaves we will undo the kick stops and allow the doors to close and lock.

You will find the room comparable to the Cutler facility in size and appointments. We are very fortunate to have found such a suitable meeting place on such short notice (thanks, John!), and the fact that it's free is a bonus. See you all on the 23rd.

If you have any questions call John Shimek (330 477-6224) or Bob Ulrich (330 479-9241)
